

Kristi Short

Senior Vice President of Post-Acute Care

Kristi serves as Senior Vice President of Post-Acute Care for Navvis, developing strategies and operational models that enable health systems, hospitals, and health plans drive volume-based growth through value-based performance. Kristi is an expert in post-acute care and bundled payments, and works across Navvis aligning her knowledge and experience with her client initiatives to ensure the successful design and delivery of client care management programs.

Experience

With more than 20 years of experience in strategic planning, business development, and strategy implementation in the healthcare and financial services industries, Kristi brings a valuable perspective to her work with client organizations having led broad-based initiatives in two heavily regulated and dynamic sectors. Prior to joining Navvis, Kristi worked as VP of Development for both Centerre Healthcare and HealthSouth. In these roles, she served as the lead developer in orchestrating specialty hospital and technology joint ventures with large academic medical centers as well as smaller community providers. Kristi brings extensive experience in working with post-acute providers, and has assembled large, joint venture inpatient rehabilitation services and outpatient facilities with hospitals, including Mercy St. Louis, Texas Health Fort Worth, Methodist Dallas, and BJC

St. Louis. She has also developed strategic plans for national post-acute providers, including Kindred and Good Shepherd.

Previously, Kristi directed planning activities for BJC Healthcare in St. Louis, MO. Before entering the healthcare industry, Kristi worked in the financial services sector. She served as Senior Vice President with responsibility for strategic planning and oversight of the electronic payments operations for the Eighth Federal Reserve District. She also chaired several Federal Reserve Subcommittees during her 13-year tenure with the Federal Reserve Bank.

Kristi has delivered seminars, webinars, and educational sessions to HFMA, various trade associations, and over 100 owners and CEOs of skilled nursing facilities.

Education

Kristi is a graduate of Kansas State University and holds a Master's degree in journalism from the University of Missouri.
